

**Questionnaire Regarding Public School Academy's
Arrangement with Church or Other Religious Organization**

Name of Public School Academy: _____

Address of School Building: _____

Name of Lessor: _____

Please answer each of the following questions on a separate sheet of paper. If the question is not applicable, please indicate in your response the reason that the question does not apply. After you have completed this questionnaire, please return it to: **Mariah Wanic, Special Assistant to the President in Charge of Charter Schools.**

1. Approximately what proportion of the members of the Academy's board of directors are also members of the church?
2. Approximately what proportion of the Academy's employees or the Academy's educational service provider's employees are also members of the church?
3. Are there any religious symbols, pictures or statues in or around the portion of the church facility that is used by the Academy Board?
4. Does the church conduct any programs with the Academy?
5. Does the portion of the facility used by the Academy Board have its own signage separate from the church signage to indicate that it is not organized by or affiliated with the church?
6. Do the church and the school share employees, textbooks or services (e.g., transportation or food service)?
7. Does the portion of the facility used by the Academy Board have an entrance and parking lot that is separate from the church parking lot?
8. Is the Academy being operated or organized by the church or other religious organization? Does the Academy have any organizational ties or affiliations with the church that are prohibited by state and federal constitutional law?
9. Are there other tenants occupying the school building? If so, please list those additional tenants by name (including church personnel).
