Language Arts: The Bradford Academy Board approved for Bradford Academy to adopt K-5 Wonders and 6-8 StudySync Curriculum (McGraw Hill) on May 11, 2022. Wonders is designed to foster a love of reading in all children. Through exploration of texts and daily development of their skills as readers, writers, speakers, and active listeners, students experience the power of literacy. Our focus on teaching the whole child – and every child – prepares students to be lifelong learners and critical thinkers. StudySync is a complete ELA curriculum designed to meet the rigorous academic needs of today’s classroom. In print and online, StudySync is designed to engage every student, because every student deserves the same opportunity and access in the classroom, regardless of his or her native language, learning level or physical, social and emotional ability. The websites for StudySync and Wonders are below for your reference. [StudySync](#)
