

ANNUAL REPORT

2023-2024

Hamtramck Academy

The Annual Report allows each academy to see a quick overview of the oversight metrics that the Bay Mills Community College Charter Schools Office uses to evaluate academy progress. For the 2023-224 school year, the Annual Report will feature a scorecard for each metric: Academic Performance, Compliance and Governance, and Financial Stability.

Academic Performance

The Bay Mills Community College Charter Schools Office closely monitors success indicators at each of our schools. Some of those indicators include state assessment data, state rating systems (such as Index Ratings and School Grade Reports), nationally norm referenced assessment (NWEA) data, teacher quality and retention, and graduation rates. Our goal is to ensure that our schools are providing a quality education for its students.

Compliance and Governance

The Bay Mills Community College Charter Schools Office closely monitors whether an academy has submitted required documentation accurately and in a timely manner. Essential documents are uploaded to an online document management system called Epicenter. Each academy is expected to meet all authorizer, state, and federal requirements. Field representatives monitor an academy's compliance and board governance through academy site visits and attendance at monthly board meetings.

Financial Stability

The Bay Mills Community College Charter Schools Office closely monitors the financial sustainability of each of our schools. The financial portion of the annual report focuses on enrollment trends, revenues and expenditures for three years, and current fund balances. The report also includes if there is a Fund Balance deficit.
