REAUTHORIZATION POWERPOINT PRESENTATION GUIDELINES

The following guidelines outline the required components for the Reauthorization PowerPoint Presentation. Please note that standardized assessment outcomes and detailed financial data should not be included, as these areas are monitored by our office and the information is already accessible to staff.

I. ACADEMICS

LEADERSHIP

Provide an overview of the school's leadership capacity and effectiveness, including:

- Demonstrated ability to lead and manage change
- Effective resolution of complaints and stakeholder concerns
- Strategic utilization of board and staff expertise and time
- Existence of a succession plan for key leadership positions

INSTRUCTION

Address the following areas related to instructional quality and effectiveness:

- The formal process for reviewing and evaluating curriculum at regular intervals to ensure alignment with state academic standards
- How teachers utilize data and school-based assessments to inform and differentiate instruction
- A comparison of three-year cohort achievement trends to overall school performance

SCHOOL CULTURE

Provide evidence of a positive and supportive learning environment, including:

- Trends in attendance rates (increasing or decreasing)
- Trends in disciplinary incidents (increasing or decreasing)
- A summary of parent, student, and staff satisfaction survey results, including how identified concerns are being addressed

II. PROFESSIONAL STAFF

Provide a comprehensive overview of staffing, including:

- A three-year staff retention trend analysis
- The number of certified and non-certified teachers, including whether non-certified teachers are enrolled in programs leading to certification
- Recruitment and onboarding systems currently in place
- Support systems for teachers (e.g., professional development, coaching, mentoring)
- Any hiring challenges, including mid-year turnover
- Strategies being implemented to address identified staffing concerns

III. FINANCIAL STABILITY

Provide a high-level overview of financial sustainability and operational stability, including:

- Enrollment trends and analysis
    - If enrollment has declined, explain contributing factors and plans for improvement
    - If enrollment has increased, describe the strategies that supported growth

- A description of school facilities, including:
    - Current condition
    - Necessary repairs or planned improvements
    - Expansion plans, if applicable
    - Existing strengths and desired enhancements
- Disclosure of any long-term debt, including the nature and purpose of the debt
- Plans to incur new debt, if applicable
- Any leases beyond the primary building lease
- Student transportation services:
    - Whether transportation is provided
    - If not provided, the rationale and potential enrollment impact
- Confirmation of whether the school is in default on any debt obligations

IV. COMPLIANCE AND GOVERNANCE

Provide insight into governance effectiveness and compliance, including:

- The governing board's understanding of the school's strengths and challenges
- Evidence that the board operates at the appropriate governance level, providing oversight and accountability without engaging in day-to-day management
- Plans to fill any existing board vacancies
- If the school is not rated as three-star compliant, a detailed explanation of areas of concern and corrective actions

V. COMMUNITY INVOLVEMENT

Highlight community engagement and external partnerships, including:

- Evidence of community support for renewal
- Partnerships with schools, colleges, universities, CTE programs, businesses, or community organizations
- Community engagement initiatives and their measurable impact

VI. ANNUAL REPORT

Address any scorecard indicators not otherwise covered in the presentation and provide a detailed plan for strengthening those areas.

VII. SCHOOL SPOTLIGHT

Include a brief written narrative or video highlighting a school, program, or student success story that reflects the school's mission and impact.

VIII. FUTURE OUTLOOK AND CLOSING

Conclude the presentation by:

- Identifying strategic priorities for the next contract term
- Describing innovative initiatives the school intends to implement
